HON. GEORGE W. STEARNS

Late Chairman, Board of Selectmen, Assessors and Overseers
of the Poor

Born, April 18, 1865

Died, July 7, 1931

IN MEMORIAM

Whereas, the Honorable George W. Stearns was elected Chairman of the Board of Selectmen, Assessors and Overseers of the Poor at the first meeting of said Town, held on April 18, 1901, and served continuously in said capacity from that date until date of his death, July 7, 1931:

And Whereas he also served his State and Country in various public and official capacities:

And Whereas he always did his work well and was held in high esteem by all who knew him, this memoriam is made a part of the Thirty-first Annual Report of the Municipal Officers of the Town of Millinocket.

IMPORTANT

All taxpayers should read the following requirement and comply with it.

Section 70, Chapter 13, Revised Statutes of Maine, 1930

“Before making an assessment, the Assessors shall give seasonable notice in writing to the Inhabitants, by posting notifications in some public place in Town, or shall notify them, in such other ways as the Town at its Annual Meeting directs, to make and bring in to them true and perfect lists, of their polls and all their estates, real and personal, not by law exempt from taxation, of which they were possessed on the first day of April of the same year. If any resident owner, after such notice, does not bring in such lists, he is thereby barred of his right to make application to the Assessors or the County Commissioners for any abatement of his taxes, unless he offers such list with his application and satisfies them that he was unable to offer it at the time appointed.”

Tax Deeds and "Murray House"

To the Citizens and Voters of the Town of Millinocket:

First: At your last annual Town Meeting, held on March 16, 1931, a vote was passed authorizing the sale of tax deeds remaining in the hands of the Town Treasurer which had not been redeemed within the period prescribed by law. We wish to report that the following sums of money have been collected on the tax deeds referred to in that article.

Year 1927	\$ 106.39
Year 1928	130.09
Year 1929	67.58
Year 1930	212.88

Total amount collected	\$ 516.94
------------------------	-----------

At the close of the fiscal year we had on hand tax deeds purchased on the following dates and totaling the following amounts.

Feb. 7, 1928	3 Tax Deeds	\$ 59.28
Feb. 4, 1929	0 " "	0.
Feb. 3, 1930	4 " "	64.73
Feb. 19, 1931	5 " "	96.69
Total	12	\$ 220.70

Second: At your last annual Town Meeting, held on March 16, 1931, a vote was passed authorizing the sale of the "Murray House," so-called, at public auction, to the highest bidder. Pursuant to that vote, the "Murray House" so-called, was sold at public auction to Mrs. Vitaline Murray for the sum of Seven Hundred and Five (\$705.00) Dollars, she being the highest bidder.

See the Town Treasurer's Report for money received for the tax deed and for the sale of the "Murray House".

BOARD OF SELECTMEN

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Superintending School Committee and Citizens of Millinocket :

I hereby submit my annual report of the public schools of Millinocket, for the year ending February 1, 1932.

Every time we have built a new schoolhouse, we have thought that the overcrowded conditions in our schools would never occur again. When we built the Stearns High, some people thought that we would always have extra rooms. Last year, we felt sure that the new eight-room building would solve the question for all time.

In the State of Maine, the custom is to build the schoolrooms to accommodate forty children each. All of our schoolrooms have been built to accommodate forty.

This fall, after filling every seat, forty in a room, we found we had one hundred and twenty-seven children unprovided for. These, of course, were accommodated, but it brought the average up to over forty-three in a room. This means that already we are three rooms short, and that next fall we shall be obliged to have eighty pupils and two teachers in the large basement room in the high school building.

There are ninety-two more pupils enrolled in our schools this year than there were last year. Thirty-nine are in the high school; consequently, we feel quite certain that next fall we shall have to use one of the domestic science rooms for a high school classroom.

With the help of the Great Northern Paper Company, we were able to complete the New School Building, and not overdraw the account but very little. Thanks are due Mr. Frank Bowler, chairman of the building committee, for his untiring efforts and wise suggestions.

The attendance this year has been excellent, and as a natural consequence the scholarship is considerably higher.

Th school buildings are all in excellent condition and are kept as clean as our homes. Every janitor may well be proud of his building.

I doubt very much if we have ever had a better class of teachers than we have this year. They are all men and women of considerable ability and excellent character.

In closing, we wish to thank the citizens, the teachers, and the school committee for their hearty support in the work.

Respectfully submitted,

W. M. MARR,
Superintendent.

Report of School Nursing Service

To the School Nursing Committee, to Mr. Marr, Supt. of Schools, and interested citizens of Millinocket, the following report is submitted.

Our program is planned with this thought in mind, "Health is a condition which permits us to live happily and successfully", and any condition which tends to interfere with the future happiness and success of our boys and girls is a health concern. It is not possible to eliminate all of these conditions but in trying to see the child as a whole, rather than as a patient, we must see that when he is emotionally unadjusted or is constantly failing in his school work he is not living happily nor successfully. Some unsuspected physical defect is often the cause, and this may be the result of home conditions which will not allow proper diet, amount of sleep, protection from exposure and character training.

Inspection and Protection

Our first step is inspection of the pupils who come under our care.

Full inspection	1,491
Special inspection	2,649
Group inspections	46
Excluded for having symptoms of communicable diseases	235
Given first aid at school	676
Notices of defects sent parents	1,627
Defects found in routine inspection:	
a. Teeth	1,031
b. Throat	123
c. Eyes	165
d. Ears	10
e. Skin	25
f. Under weight, 10% or more	231
g. Over weight, 20% or more	24
h. Swollen glands	45
i. Children who have failed to complete a grade satisfactorily in two years, those who are emotionally unstable, and those who have	

undesirable character traits are classed as "Problem"	60
Visits to school buildings	777
Visits to school rooms	2,170
Visits made to follow up defects	98
Visits of instruction	77
Visits where some treatment was given	3
Visits of investigation	40
Visits of miscellaneous nature	630
Children taken home from school	12
Children taken to doctor	6
Children taken to oculist	3
Children vaccinated	133
Children given tuberculin test by clinic nurse	305
Xrays by clinic nurse	87
Recommended by Dr. Ames and examined by Dr. Carter in June	19
Sanatorium treatment recommended	2

The others were given instructions for home care and to be kept under the observation of the school nurse.

Drs. MacKay, Harrigan and Brown voluntarily gave of their services to make a dental survey of the school children under sixth grade. 957 were examined and but 206 passed. Dr. Bryant examined the throats of 1,115 and passed all but 90. At the pre-school and infant clinics held in May and October, 113 came for the first time and 42 came back for the second examination which was given by local doctors, and dentists with nurses assisting.

Rule 14 of the State Department of Health provides as follows: "It shall be the duty of teachers and principals of schools to note the condition or the symptoms of their pupils which are suggestive of the onset of communicable diseases—" We combine this duty with the teaching of health habits. To stimulate interest and to make this a pleasurable occasion rather than a disagreeable duty, a trophy is awarded to the room achieving 90% in the morning inspection. 10 rooms won this award last year. All suspicious children are referred to the nurse daily and if necessary are excluded from school as is required by law. The law also forbids parents to allow chil-

dren who are infected with any infectious disease to attend school, theater, church or public place.

Health Education

Our next step is to educate the children in the ways of healthy living, and includes teaching health habits by projects and talks, special classes, and demonstrations.

Talks to children by nurse	405
Home hygiene and care of the sick classes	18
Total attendance	216
Demonstration to child care class, bathing the baby	1
Demonstration to Girl Scouts on bedmaking	4
Health literature distributed	2,805

Dr. George Coombs of the Maine Public Health Association talked to the high school boys and girls separately, on social hygiene and to the P. T. A. in the evening, taking as a basis for his talk the Children's Charter from the White House Conference. Miss Abbie Buck, also from the Maine Public Health Association, spent one day in the schools talking to the children and consulting with the teachers.

Correction of Defects

We have continued the use of the Six and Seven Point activity to stimulate interest in having corrections made. 351 Seven and 30 Six Point awards were earned.

The Child Welfare Committee appointed at town meeting have been of great assistance. The greatest need seemed to be glasses and by co-operating with the P. T. A. 23 pairs have been bought. 87 vision corrections have been reported, 50 throat corrections, and 368 dental corrections. Financial help is needed for many of these cases. We applied for State Aid which is sometimes given but were told to apply after July first, as their money was allotted then. Unfortunately there is no school nurse after June to make the arrangements. Arrangements were made for two children to go to the Children's Hospital but the call did not come until July 10th, and their opportunity was lost. One child of school age in whom the service has been interested for some time, was admitted to an institution and several are on waiting lists. So many parents can not afford the examination and treatment by a specialist that their child should have in many, many cases. We

apply for aid when there is a chance of receiving it but always there is a waiting list, and our community resources are not great. These children with poor vision, deafness, infected teeth and tonsils are working under a handicap. Malnutrition is probably the cause of many of these defects. This means a deficiency of some element needed for the growth, energy and protection of the body. Milk is the only food that contains all of these elements. Arrangements were made for milk lunches in the schools. There are about 1,100 in the three grade buildings and about 175 taking milk. Unfortunately the very ones who need it most are the ones who can not afford the 17 cents a week. A few citizens have volunteered to furnish milk for some of the underweight children. This is one way in which children may be helped without it appearing as charity.

Summary

A better acquaintance with conditions shows so much to be done that your nurse finds it easy to overlook the progress of the year. The general appearance of the children has improved greatly. Their attitude towards health is better, and we find a real effort on their part to carry out the rules of health, particularly reporting communicable diseases, for first aid before infection develops, and in cleanliness habits. They are developing a health responsibility which does reflect in other ways. When nearly every teacher reports "the best grade that I have ever had" it must mean that the schools on a whole are better, not just cleaner.

The hearty co-operation of all connected with the schools has increased the efficiency of the work, but some method of reaching the parents must be worked out if we are to expect their co-operation. When a contact has been made the parents show concern and are willing to carry out suggestions as far as they are able, but sending a notice has little effect in many cases unless the nurse visits them and explains the need of corrections being made, or to give instructions for home care.

We feel that Social Service is a vital part of the work. So many of the home conditions reported to the nurse should be investigated, but we already find that we have spent approximately 300 hours walking to make a total of 1,639 calls. We

do not feel justified in taking more time. The 4,079 inspections were a necessary factor in maintaining their health, the talks and demonstrations help to hold their interest, the exclusion of 235 was for the protection of the children as well as the 676 given first aid. We ask the parents to give serious thought to the 1,627 notices sent them this year.

It is impossible to give thanks to each individual and organization who by their interest and service have aided in our work. It is all appreciated. Without the community's assistance our efforts would be of little avail.

Respectfully submitted,

OLIVE BONSEY, R. N.,

School Nurse.

Report of Health Officer

To the Selectmen of Millinocket:

In these days when there is a great demand for statistics and figures it is to be regretted that the work of the Health Officer can not all be tabulated. But there is so much in the line of short conferences, inspections and giving advice that it is impractical to keep track of the minutes spent, although the total represents many hours. However, a certain amount of listing can be done.

Throughout the year there have been reported the following:

Mumps	123 cases
Pneumonia	11 cases
Chicken pox	11 cases
Scarlet fever	2 cases
Whooping cough	13 cases

Without any doubt more patients than this have been sick with some of these diseases but parents have not yet learned that it is their duty to report these illnesses. In the scarlet fever cases, full quarantine was maintained—that is, the money earner of the family chose whether he would stay in or stay out. He was not permitted to come and go when he liked. Of the two houses placed under quarantine one only was fumigated with formaldehyde. It was not necessary to do this at

the other place for it was freshly papered and painted throughout.

Free vaccination against smallpox was arranged for and provided. There were 137 vaccinations given. This number was made possible largely through the assistance of the School Nurse and the co-operation of the local physicians.

A very few nuisances were reported and these were remedied. There was one exception. The matter was taken up with the State Department of Health and on suggestion from there the complainant was advised to resort to the courts if the nuisance continued.

Many children have been inspected (some of them three or four times) who have been sent from school with skin lesions. All children who were absent from school on account of contagious diseases were examined before a permit was issued allowing them to return.

The laying of a public sewer in two streets in "Little Italy" meant that a large number of houses had to be connected with it. This has put an unusual amount of work on the Plumbing Inspector. His report will show this.

One Health Officer's convention held for two days at Augusta by the State Department of Health was attended and considerable information gathered.

For the first time in 12 years the birth rate has been below 200 in two successive years. In 1931 there were recorded 191 births while in 1930 there were only 186. Of these 191 births 9 babies were stillborn. It is, perhaps, too soon to infer that the birth rate has passed the peak and will slowly decline; but the figures are suggestive.

The death rate, too, is the lowest for some years. There were 55 deaths recorded. This number includes the 9 stillbirths.

Respectfully submitted,

C. S. BRYANT,
Health Officer.

Report of Milk Inspector

To the Selectmen of the Town of Millinocket :

Gentlemen :

Your Milk Inspector begs to submit the following report for the year ending February 1st, 1932.

During the past year tests were run monthly on milk and cream and very satisfactory results obtained. Out of 141 samples tested only one failed to meet the State requirement for butter fat content. During the year all the dairies were inspected and approved by the State Dairy Inspector. Beginning this year all new dairies must be inspected and approved by the State Dairy Inspector before milk and cream can be sold from them.

Respectfully submitted,

EDWARD A. DORE,

Local Milk Inspector.

Report of Plumbing Inspector

Dr. C. S. Bryant, Health Officer, Town of Millinocket

To the Citizens of Millinocket :

During the past year eighteen complaints were received, investigated and satisfactorily adjusted.

Eighty-four permits were issued for plumbing installations.

Ninety-three inspections were made, four of which were not according to the plumbing code. These were later satisfactorily adjusted.

Fifty-eight flush toilets were installed.

Seventeen bath tubs.

Thirty-one sinks and lavatories.

Six hot water tanks.

Two houses that were voluntarily closed in 1930 have been remodeled with latest sanitary equipment.

It was necessary to visit the new School many times. All underground sewer and water lines were thoroughly tested for leaks before covering the pipes up.

There are several houses in town whose owners have not complied with the Plumbing Laws. These owners have been visited and notified many times but it seems impossible to get the work

done unless more drastic action is taken. In some cases owing to financial difficulties they are unable to comply.

The sewer line in Little Italy, which the Great Northern Paper Company installed, is a great benefit to that section of the Town. All houses excepting seven were connected to the sewer and quite a few owners not only installed flush toilets but bath tubs and lavatories.

Practically all cesspools have been filled in.

From a sanitary standpoint I believe the town to be in excellent condition.

Commencing July 1st, 1931, plumbing laws as to fees went in force.

Monies collected for permits from July to December were \$30.00.

Two-thirds of this amount was returned from the State Department to the Town of Millinocket.

Check for \$20.00 has been sent to the Town Treasurer.

I trust this report will meet with your approval.

Respectfully submitted,

FRED G. TOWNSEND,
Plumbing Inspector.

Report of Fire Department

Report of Millinocket Fire Department for year ending February 1, 1932.

Number of alarms	55
General	17
Still	36
False	2
Estimated value of property involved	\$225,100.00
Estimated loss of property involved	16,655.00
Insurance on property (only where damages were paid)	55,925.00
Insurance paid on property	15,987.19

FRED M. GATES,
Chief.

Report of Police Department

Report of Millinocket Police Department for year ending February 1st, 1932.

Search for stolen property	1
Single sale	4
Speeding automobile	1
Spreading poison	1
Threatening to commit crime	1

FRED M. GATES,

Chief.

Report of Public Nurse Committee

To the Citizens of Millinocket, Maine :

The Public Nurse Committee has the following report to submit, January 1, 1931, to September, 1931.

Total number of cases	197
Total number of visits	732

This is for a period of eight months.

The Association now has engaged the services of Miss Ellis, she commencing her duties February 8, 1932. For a period of twenty-one days she has had:

18 cases, 137 visits, 1 obstetric case.

I recommend very strongly that a nurse be retained and that a sum of money be appropriated to be used for this purpose.

Respectfully submitted,

FRANK H. SPEED,

Secretary.

Report of Playground Committee

The Playground opened July 6 with a first day attendance of approximately 200 children. The teaching staff included: Instructor James Stevens and Assistant Instructors Irene Boynton and Florence Gates. The flag salute was incorporated in each day's activities although the children did not co-operate as in former years.

At the beginning of the season the tennis courts were resurfaced, the teeter-boards were planed and painted and the sliding board was fixed. We have had fewer complaints from splinters than last year but nevertheless, new boards and a new slide is absolutely necessary.

A program of basketball, tennis, football, paddle tennis, baseball and horseshoe pitching was arranged so as to give both boys and girls an opportunity to participate. A four team league in baseball was organized and games were played each morning during the first five weeks being discontinued for lack of interest. The Senators and Wild Cats were tied for the league honors at the close.

The manual training classes were discontinued this year because of need of new equipment and lack of interest shown by the boys.

Story and organized play hours were held morning and afternoon every day for both older and younger children. It was found necessary to send children home because of the mumps and whooping cough and we hope the parents fully

understand our attitude for other children must be protected as much as possible from such and all diseases.

Swimming classes were held every day throughout the entire season.

The playground annual picnic was held this year at Medway with 65 boys and girls attending. A good time was enjoyed by all although only the older ones were permitted to go into the water.

A fairly accurate attendance record was kept through the summer. The average daily attendance for the duration of the playground was 125.

The playground closed August 29, with a field day consisting of races, contests and a play given by the younger and older girls. Because of the threatening weather the play was held in the Armory. About 250 children attended the entire day's program.

The committee wishes to thank all those who gave their time and cars for the picnic, the Millinocket Opera House for their kind co-operation, the town merchants for their cash discounts and prize donations, the school board for the use of the Aroostook Avenue Building, Capt. Perrow for the use of the Armory, the Millinocket Tennis Association for their willingness to help, and the Great Northern Paper Company for their many favors.

Respectfully submitted,

EMERY H. BROWN,
EDITH L. CROSSON,
LAILA FAHEY.

Report of Aviation Field Committee

To the Citizens of the Town of Millinocket:

After looking over all the available sites the committee selected the Town Farm as the best location for the development of the Municipal Airport. Although our appropriation was rather limited a good deal of constructive work was done. The buildings on the site were moved to other locations, the stumps removed, bushes and trees cut down and the greater part of the land ploughed, rolled and seeded.

The Great Northern Paper Company has been hauling ashes for some time, which is being utilized for levelling the surface and the construction of the runway. In order to conform to the conditions of the modern aviation field the runway should be surfaced with loam or gravel and then tarred. A great amount of work is yet to be done in filling in the swamps and enlarging the field so that we may obtain the advantages of a modern four way port.

Undoubtedly in the near future one or more air routes will be established through to Aroostook County. Aviation experts have selected Millinocket as the logical landing place for any Aroostook route from points southerly. To gain all the advantages of such a landing place it is the opinion of your committee that the airport should be developed as quickly as possible.

Respectfully submitted,

F. E. DOYLE, Chairman,
M. W. HALL,
G. J. JONES,
FRANK LE PAGE, JR.,
G. B. MORAN.

Report of Public Nurse Committee

To the Citizens of Millinocket:

At the regular Town Meeting held on March 17, 1931, twelve ladies were appointed by the Moderator to serve as a Child Welfare Committee. The purpose of this Committee was to aid the School Nurse in procuring glasses for children who needed them and who could not otherwise obtain them. As a result of this, the following funds were procured and expended during the past year.

Receipts

From Card Party	\$130.00
From Parent Teachers' Association	50.00
From Friends	4.75
From Food Sale	38.56
From Friend	10.00
Total Receipts	<hr/> \$233.31

Disbursements

To Dr. C. K. Sleight	\$200.50
Balance on hand	<hr/> \$ 32.81

Owing to the very generous services rendered the Committee by Dr. Charles K. Sleight, twenty pairs of glasses have been obtained for school children, besides many small adjustments and repairs on same.

Respectfully submitted,

MRS. FRANK C. BOWLER,

Secretary and Treasurer.

Report of Memorial Library Committee

To the Selectmen and Citizens of Millinocket:

Your Memorial Library Committee presents the following report, covering the fiscal year 1931-1932.

Total number of volumes in the Library, Feb. 1, 1931	8,464
New books added during the year	1,200
	<hr/>
	9,664
Books discarded	570
Books not returned	187
	<hr/>
Total	757
Total number of volumes in Library, Feb. 1, 1932	8,807
Number of volumes circulated in 1930-1931	46,175
Number of volumes circulated in 1931-1932	59,900
Magazine subscriptions for 1931-1932	50

Respectfully submitted,

J. F. STEVENS, Chairman,
SHERBIE MORAN,
LENA C. SPEED,
LORA D. GAGNON,
EDW. C. McALLISTER, Sec.

Report of Sealer of Weights and Measures

To the Selectmen and Citizens:

I herewith submit my report as Sealer of Weights and Measures for the year ending Feb. 1, 1932.

Scales Tested	95	Weights Tested	54
Computing	24	Weights Condemned	4
Spring	24		
Balance	27	Gas Tanks Tested	18
Beam	14	Gas Tanks Condemned	4
Slot	6		
	95	Milk Bottles Tested	5280
Scales Condemned	14	Milk Bottles Con'd.	11

Respectfully submitted,

JAMES E. MURCH, Sealer

Report of the Tax Collector

To the Selectmen and Citizens of the Town of Millinocket:

Your Collector of Taxes begs to submit the following report for the year 1931.

The amounts received by me during the fiscal year for taxes committed to me for collection were turned over to the Town Treasurer in installments as they were received from the tax payers.

This past year a great many of the tax payers have made part payments of taxes at different times of the year. Some have made payments each week, while others have paid in two or three installments. This arrangement, while making more detail work for the collector, I think has been appreciated by the tax payers and is a good method to follow.

On February 15, 1932 I paid to the Town Treasurer the balance of the commitment, together with all interest collected from delinquent tax payers and interest on bank deposits making a 100% collection. This of course had to include my personal check for the delinquent list that follows.

Ayotte, Joseph	\$3.00	xKing, Andrew	3.00

AUDITOR'S CERTIFICATE

During the fiscal year ended January 31st., 1932 I made periodical audits of bills against the town—checking computations, approvals, etc.—after which I satisfied myself that the payment of each bill had been duly authorized by the Selectmen by formal order upon the Town Treasurer.

The Treasurer's accounts were subjected to a detailed audit because of bookkeeping errors found therein, and all differences have been accounted for and adjusted, with exception of \$8.88 overage which my audit did not bring to light. Cash as shown in another part of this report is correct except as already noted.

The Town Treasurer is also Treasurer of the School Fund and custodian of a \$10,000 Sewer Bond belonging to such Fund. I made a personal inspection of the Bond which

is filed in the vault of the Millinocket Trust Co. I also checked the School Fund account which I found to be correct.

The Tax Collector's accounts were audited and I find that all town taxes committed to him for collection, also automobile excise taxes, interest from delinquent taxpayers interest on bank deposits, etc., were fully accounted for.

I hereby certify that in my opinion this report (Selectmen's) represents a true statement of Receipts and Disbursements.

NELSON A FELIX,
Auditor

Auditor's Comments

ACCOUNTING SYSTEM

Our municipal accounting system to-day is substantially as it was a decade or so ago, and while it must be admitted that under it our town government has functioned in an efficient manner, it is nevertheless true that there is ample opportunity for improvement.

Under our present system, much duplication is necessary. It does not afford the means of preparing a true statement showing assets and liabilities. The Treasurer's records are burdened with many book entries which have no connection whatever with cash transactions. Too many orders are issued necessitating a corresponding number of entries in the various records, and supporting checks from the Treasurer's office.

If these deficiencies were corrected the time saved could be utilized in the preparation of information which would be of real value to the municipal officers and heads of departments.

The taxpayer of to-day is, more than ever before, interested in municipal affairs and wants to be assured that the money he contributes through taxes for the town's support, is spent cautiously. There is a distinct demand from every quarter for rigid economy both in governmental and industrial affairs, and these things can usually be best accomplished through proper accounting information.

I am firmly opposed to the practice by some departments, of spending amounts in excess of that appropriated by the taxpayers at town meetings— excepting in urgent cases where there is no alternate course. Under well regulated accounting the fact that an overdraft is about to become a reality would be forcibly brought to the attention of the department head involved to permit him to take steps to curtail further expenditures.

The expense of modernizing our accounting system would be comparatively negligible. New books, ruled to meet out requirements, would have to be procured, and several forms now used would have to be displaced by new ones. There would also be some labor expense transferring from the old records to the new. I hope the taxpayers will approve the Selectmen's recommendations in this respect.

NELSON A. FELIX,
Auditor

Report of Budget Committee

To the Citizens of the Town of Millinocket:

At the last annual Town Meeting, it was voted to elect a Budget Committee for 1932. The Committee elected comprised sixteen members. The duties of this Committee are to give careful consideration to the Town's financial requirements; then after a thorough investigation and discussion of each item involved, recommendations are made. These recommendations are backed by a majority vote of the Committee.

As the Budget Committees of the past have found that some very good ideas have been put forward by the citizens at Public Hearings, it was decided to do likewise this year, and it has been with pleasure that the Committee has noted the keen interest displayed. Three of these Public Hearings were held and a large attendance was recorded at all.

Millinocket, like most of the world at large, is in the throes of a depression. The necessity of a material reduction in taxes has forced the Budget Committee to recommend a drastic cut in some items, and the entire elimination of other items, which, although recognized as very desirable are not in reality essential.

In eight meetings, your Committee has spent over twenty-four hours on the examination and study of old and new accounts; the discussion, and the compilation of a budget. Each and every item has received individual attention and with the exception of a very few, our recommendations represent the unanimous opinion of the Committee. These exceptions will be found at the bottom of the tabular statement on the next page.

A big portion of the Town's expenses are in fixed charges, such as State and County taxes, principal on bonds, interest on bonds, notes, etc., which nobody can reduce—they must be paid.

TOWN ACCOUNTS FOR 1931

AND

RECOMMENDATIONS OF BUDGET COMMITTEE FOR 1932

Note: Column entitled "Total Available" is Appropriations plus funds received from any other source (such as the State or County) and plus or minus the balance or overdraft left from 1930.

No. 11 Recommendation passed 13 to 1. W. O'Connell voted No.

No. 26 Recommendation passed 10 to 4. F. E. Doyle, F. H. Speed, G. B. Moran and W. O'Connell voted No.

No. 30 Recommendation passed 13 to 1. W. O'Connell voted No.

No. 35 Recommendation passed 13 to 1. W. O'Connell voted No.

No. 36 Recommendation passed 13 to 1. W. O'Connell voted No.

Another big portion of the Town's expenses are of course in the maintenance of our Common and Free High Schools, and the Budget Committee wishes to take this opportunity to thank the School Committee for their co-operation and support in making up this budget. In preparing their recommendations, the School Committee have carefully thought out all of the possible economies for the ensuing year and in some cases have recommended dropping courses which come under the category of "desirable but not essential" to the children's education. The School Committee's report was, in the main, accepted and incorporated into the recommendations of your Budget Committee.

At the last annual Town Meeting, it was voted to erect a new eight room school house on the old High School lot on the corner of School Street and Katahdin Avenue. As you all know, this attractive building has been completed, and we believe the Building Committee is to be complimented on the fine structure that they obtained. It is the belief of your Budget Committee that the grounds around this building should be properly graded this spring, in order to blend with the surrounding property. This can be done at a small cost. To take care of a small overdraft of \$104.67 on this account and to grade the grounds, it is the recommendation of this Committee that the balance of \$155.53 in the "Shade Tree Account" be transferred to the "New School Building Account" and that in addition to this the sum of \$200 be raised.

Needless to say, there was considerable agitation for more tarred streets this year. To tar the new streets that were suggested, and to give the present streets that are tarred, a light maintenance coat of tar, would cost approximately \$5,500, whereas approximately \$4,900 was spent last year.

Attention was also called to the bad water condition of Maine Avenue (near the LePage residence) in the spring and after heavy showers in the summer. Also to the bad conditions of the School Street, Maine Avenue and Bowdoin Street hills. The Committee is aware of these bad conditions, but to

fix them properly would entail large expenditures. The Committee recommends an appropriation of \$10,000 and while this is \$3,500 less than last year, we believe that due to the lower prices of materials and the lower rate of wages, that fully as much tar and road work can be accomplished with this amount as was obtained last year.

The tarred sidewalks that were installed last year, have met with so much approval that naturally more were advocated for this year. Your Committee gave this matter careful consideration and although we would all like to have these nice sidewalks, it is recommended that for this year, we appropriate only \$350 for the maintenance of our present sidewalks.

As the only State Aid Highway within the town limits that has not been constructed, is the stretch of road from the end of the present concrete out to the railroad tracks; and as there is a possibility that the Bangor & Aroostook will in the near future, move their buildings, which would in turn mean relocating the highway to it, it is the recommendation of your Committee that no money be appropriated this year for new work. There is, however, an overdraft of \$1,954.86 on the work performed last year, which must be taken care of by an appropriation.

Considerable money has been spent in the past few years for the building of storm sewers. There is still a demand for them, especially to continue the one on Penobscot Avenue to the North some 600 odd feet. It is the sentiment of your Budget Committee however, that the worst of the water conditions have been relieved. It would be splendid to build these storm sewers almost indefinitely, but due to the existing conditions, we feel that it is best, and recommend, that no money be appropriated this year.

There has been much controversy in the past regards the maintenance of a Town Team. After considerable discussion of the necessity of such a team, it is recommended by your Committee that it be eliminated. The appropriation of \$200 that we suggest is for the expense involved to keep this team going from when the books were closed until Town Meeting.

To pay for the Town Officers and Office Expense, your Committee recommends the sum of \$11,000 be appropriated. The increase over that of last year is due to the fact that the Great Northern Paper Company no longer maintains an office and stenographer for the First Selectman as was done in the past. This expense must now be borne by the Town. In connection with the Town Officers, there was considerable discussion as to the present form of management. The Budget Committee has no fault to find with the present system, but in view of the fact that so many towns and cities are going to the Town Manager form of government, the Budget Committee felt that the citizens should have an opportunity to express their sentiment. The Committee recommends therefore, that the Town Manager form of government for the year of 1933 be given consideration at Town Meeting, and that if the citizens are in favor of such, the Selectmen be instructed to get the proper bills before the Legislature.

It was suggested at one of the Public Hearings that a street light be installed on Elm Street, near the railroad crossing. It was pointed out that it was very dark at this point and that it was difficult to see when the crossing was blocked by freight cars. Seven thousand dollars is recommended as an appropriation for the "Street Lighting Account" with the suggestion that the Selectmen try to get reduced rates from the Bangor Hydro-Electric Company if possible.

Your Committee recommends a reduction from \$900 to \$500 for the Town Band; and, in view of the fact that the School Superintendent reports there is no longer any interest displayed in the School Band, a recommendation of no appropriation is made.

It has been very forcibly brought to the attention of the Budget Committee that an extension is needed to the present Cemetery. It is our recommendation that a deed be procured from the Great Northern Paper Company for a plot of land 300 feet by 400 feet immediately East of the Roman Catholic Cemetery; that \$1,750 be appropriated, \$1,200 of which is to be spent for fencing in the new cemetery extension, and the bal-

ance to be used for repairs to the old fence and the usual maintenance.

The question of the Public Playground came in for considerable discussion. It was pointed out that the equipment was in very poor shape and that a large outlay of money would be required if the playground was continued. Considering the few children that patronize it, your Committee has recommended that it be dropped for this year and that no appropriation be made.

The Public Health Nurse and School Nurse were items which were debated freely at Public Hearings and in Committee Meetings. The general sentiment at the Public Hearings were that both nurses were very desirable, but if either one had to be eliminated, it would be better to eliminate the Public Health Nurse. As a means to cut down expenses your Committee recommends that the Public Health Nurse be dropped for this year and that no appropriation be made. For the School Nurse, our recommendation is \$1,350.

The Aviation Field is another item which is recommended for a drastic cut, and although it is fully realized that aviation is making rapid strides in the commercial field, it is our recommendation that only \$250 be appropriated.

In a like manner, the Sourdnahunk Road was treated, only not quite so severely in view of the fact that it is the only other outlet which we have from Town, and because so many of the citizens own camps at the various ponds and lakes along the way.

In the Automobile Excise Tax Account of the Town, there is an unexpended balance of \$6,843.97. It is recommended by the Committee that \$4,000 of this amount be transferred to the Principal on Bond Account. Our suggestion of an appropriation of \$8,000 to pay for the Principal on Bonds is on the basis of the above recommendation—otherwise \$12,000 will have to be raised.

The Budget Committee recommends that proper appropriations be made for each 1931 account where an overdraft occurred, in order that the Town Books may be cleared in a business-like manner.

We believe it is generally recognized that due to cuts in wages, and reduction of working hours at the Mill, Railroad and Foundry, that the average income of the citizens has been reduced at least 10%. It is also a recognized fact that practically all of the commodities have been reduced so as to average about 10%. With these two major facts in mind, the Committee has prepared their budget, and all of their recommendations for the various departments are on the basis of all Town employes receiving a 10% cut in their wages for 1932.

The Budget Committee wishes to extend its thanks and appreciation to all those who have aided us in any way; also to express the wish that the recommendations contained in this report will receive your careful considerations and be adhered to as closely as possible.

In conclusion, if the Budget Committee's recommendation as tabulated on pages No. 2 and No. 3 are accepted by the Town, the tax rate for 1932 (including the State and County Tax), will be in the neighborhood of \$45.00 per \$1,000.00.

WARRANT

STATE OF MAINE

PENOBSCOT, ss.

To Fred M. Gates, a constable of the Town of Millinocket, in said county,

GREETING:

In the name of the State of Maine, you are hereby required to notify and warn the Inhabitants of the Town of Millinocket, qualified by law to vote in town affairs, to assemble at the **ARMORY BUILDING** in said town on Monday, the Twenty-first (21st) day of March, A. D. 1932, at Nine (9) o'clock in the forenoon to act on the following articles, to wit:

Article 1. To choose by ballot, a Moderator to preside at the said meeting.

Article 2. To choose by ballot, according to the provisions of Chapter Five (5) of the Revised Statutes of Maine, 1930, three Selectmen, who shall be Assessors and Overseers of the Poor, a Town Clerk, Town Treasurer, Collector of Taxes, Road Commissioner, one member of the Superintending School Committee for three years, Chief of the Fire Department and Auditor. The Polls for the election of these officers will be open at Nine (9) o'clock in the forenoon and close at Seven (7) o'clock in the afternoon.

Article 3. To choose all other town officers for the ensuing year.

Article 4. To see if the town will vote to establish and establish a rate percent for the collection of taxes, or fix a salary for the same, for the ensuing year.

Article 5. To see if the town will vote to charge interest on all taxes remaining unpaid after a specific time. Also, to fix such rate and time.

Article 6. To see if the town will vote to allow an abatement to be made to those who voluntarily pay their taxes to the collector or treasurer at certain periods, and the times within which they are so entitled. Also, to see if the town will vote to fix the rate for said abatements. Also, to see what sum of money the town will vote to grant and raise to pay the same.

Article 7. To see if the town will vote to fix the salary of the Road Commissioner for the ensuing year.

Article 8. To choose a Sewer Commissioner for the ensuing year.

Article 9. To see if the town will vote to grant and raise the sum of Five thousand, two hundred two dollars and seventy-six cents (\$5,202.76) to pay the Amount Overdrawn for Care of the Poor, for the fiscal year ending Feb. 1, 1932.

Article 10. To see if the town will vote to grant and raise the sum of Seven dollars and seventy-eight cents (\$7.78), to pay the Amount Overdrawn for Construction and Repairs of Roads and Bridges, for the fiscal year ending Feb. 1, 1932.

Article 11. To see if the town will vote to grant and raise the sum of Forty-three dollars and ninety-one cents (\$43.91), to pay the Amount Overdrawn for Construction and Maintenance of Sidewalks and Curbing, for the fiscal year ending Feb. 1, 1932.

Article 12. To see if the town will vote to grant and raise the sum of Forty-one dollars and twenty-one cents (\$41.21), to pay the Amount Overdrawn for Maintenance of the Town Team, for the fiscal year ending Feb. 1, 1932.

Article 13. To see if the town will vote to grant and raise the sum of Five hundred ninety-six dollars and ninety-three cents (\$596.93), to pay the Amount Overdrawn for Construction and Maintenance of Sewers, for the fiscal year ending Feb. 1, 1932.

Article 14. To see if the town will vote to grant and raise the sum of One hundred eighty-four dollars and twenty-six cents (\$184.26), to pay the Amount Overdrawn for Maintenance of the Police Department, for the fiscal year ending Feb. 1, 1932.

Article 15. To see if the town will vote to grant and raise the sum of Thirty dollars and eighty-nine cents (\$30.89), to pay the Amount Overdrawn for Maintenance of the Swimming Pool and Bath Houses, for the fiscal year ending Feb. 1, 1932.

Article 16. To see if the town will vote to grant and raise the sum of Six hundred thirteen dollars and thirty-five cents (\$613.35), to pay the Amount Overdrawn for Maintenance of the Millinocket Memorial Library, for the fiscal year ending Feb. 1, 1932.

Article 17. To see if the town will vote to grant and raise the sum of One thousand, nine hundred fifty-four dollars and the sum of One hundred thirty-five dollars and ninety-five cents (\$135.95), to pay the Amount Overdrawn for Repairs on School Houses, for the fiscal year ending Feb. 1, 1932.

Article 18. To see if the town will vote to grant and raise eighty-six cents (\$1.954.86) to pay the Amount Overdrawn for the Construction of State Aid Highway, for the fiscal year ending Feb. 1, 1932.

Article 19. To see if the town will vote to grant and raise the sum of One hundred fifty-three dollars and sixty cents (\$153.60), to pay the Amount Overdrawn on the Sourdnhunk Road between the Bangor & Aroostook Railroad Station and Spencer's Carry, for the fiscal year ending Feb. 1, 1932.

Article 20. To see if the town will vote to grant and raise the sum of One hundred four dollars and sixty-seven cents (\$104.67), to pay the Amount Overdrawn on the New School Building, for the fiscal year ending Feb. 1, 1932.

Article 21. To see if the town will vote to transfer the Unexpended Balance of One hundred fifty-three dollars and fifty-three cents (\$153.53), of the Shade Trees Account to the New School Building Account.

Article 22. To see if the town will vote to transfer the sum of Four thousand dollars (\$4,000.00), from the Unexpended Balance of the Automobile Excise Tax Account to Bonds—Principal Account.

Article 23. To see if the town will vote to continue the Free High School as established.

Article 24. To see if the town will vote to grant and raise such sums of money as may be necessary:

To pay for Care of the Poor.

To pay for Children's maintenance placed in the care of the State Board of Children's Guardians.

To pay Mothers' Aid Pensions.

To pay for Construction and Repairs of Roads and Bridges.

To pay for Construction and Maintenance of Sidewalks and Curbing.

To pay for Maintenance of the Town Team.

To pay for Construction and Maintenance of Sewers.

To pay for Maintenance of the Fire Department.
 To pay Firemen.
 To pay for Maintenance of the Police Department.
 To pay for Maintenance of the Armory Building.
 To pay Town Officers.
 To pay for Memorial Day Observance.
 To pay for Hydrant Rental.
 To pay for Street Lighting.
 To pay for Maintenance of the Cemetery.
 To pay for Maintenance of the Playground.
 To pay for Maintenance of the Swimming Pool and Bath Houses.
 To pay for Maintenance of the Ice Skating Rink.
 To pay Principal on Bonds.
 To pay Interest on Bonds.
 To pay Interest on Notes.
 To pay for a Public Health Nurse, same to be expended under the direction of the District Nursing Association of Millinocket.
 To pay for Maintenance of the Millinocket Memorial Library.
 To purchase Books for the Millinocket Memorial Library.
 To pay for Maintenance of the Millinocket Municipal Court.
 To pay for Maintenance and support of Common Schools.
 To pay for Maintenance of the Free High School.
 To pay for School Apparatus and Supplies.
 To purchase Text Books.
 To pay for School Insurance.
 To pay for Repairs on Schoolhouses.
 To pay salary of Domestic Science Teachers.
 To purchase supplies for Domestic Science Department.
 To pay for Physical Education.
 To pay for Medical Inspection of School Children.
 To pay Interest on School Fund.
 To pay for Maintenance of the School Band.

Article 25. To see if the town will vote to employ a School Nurse. Also, to see what sum of money the town will vote to grant and raise for the same.

Article 26. To see what sum of money the town will vote to grant and raise to be expended by the Board of Selectmen for the ensuing year, for the rental of rooms suitable for said Selectmen's Office and for clerical help and other expenses necessarily incident to said office.

Article 27. To see what sum of money the town will vote to grant and raise for the New School Building.

Article 28. To see if the town will vote to construct a fence to enclose land owned by the Town of Millinocket at the corner of Katahdin Avenue and School Street, on which is situated the New School Building. Also, to see what sum of money the town will vote to grant and raise to pay for the same.

Article 29. To see what sum of money the town will vote to grant and raise for the support of dependent Soldiers, Sailors and Marines and their families, as provided for in Section 8 of Chapter 33 of the Revised Statutes of Maine, 1930.

Article 30. To see if the town will vote to grant and raise a sum of money for the maintenance of the Millinocket Band for municipal purposes and public celebrations. Also, to see what sum of money the town will vote to grant and raise for the same.

Article 31. To see if the town will vote to grant and raise a sum of money for the employment of the Millinocket Band for municipal purposes and public celebrations, said sum of money to be expended under the direction of the Board of Selectmen. Also, to see what sum of money the town will vote to grant and raise for the same.

Article 32. To see what sum of money the town will vote to grant and raise to be expended on the Sourdnhunk Road between the Bangor & Aroostook Railroad Station and Spencer's Carry, so-called.

Article 33. To see what sum of money the town will vote to grant and raise to be expended and used for Advertising the Natural Resources, Advantages and Attractions of the State of Maine.

Article 34. To see what sum of money the town will vote to grant and raise to be expended and used for Advertising the Natural Resources, Advantages and Attractions of the Town of Millinocket and vicinity.

Article 35. To see what action the town will take towards the continued improvement and maintenance of the Aviation Field established on the Town Farm, so-called. Also, to see what sum of money the town will vote to grant and raise for the same.

Article 36. To see if the town will vote to delegate to the Board of Selectmen, or to some other Board or Committee, the right to exercise the powers granted in Sections One (1) and Five (5) of Chapter 213, of the Public Laws of Maine, 1931, relative to Municipal Airports, the maintenance, operation and regulation of same.

Article 37. To see if the town will vote to fix a maximum time for which leases may be given to private individuals, partnerships or corporations for the erection of hangars for airplanes and other buildings necessarily connected with aviation, at the Aviation Field on the Town Farm, so-called. Also, to see if the town will vote to fix the rental to be charged on the same.

Article 38. To see if the town will vote "Yes" or "No" on the question of appropriating and raising money necessary to entitle the town to State Aid, as provided in Section 20 of Chapter 28 of the Revised Statutes of 1930.

Article 39. To see what sum of money the town will appropriate and raise for the improvement of the section of State Aid Road as outlined in the report of the State Highway Commission, in addition to the amounts regularly raised for the care of the Ways, Highways and Bridges, under the provisions of Section 19 of Chapter 28 of the Revised Statutes of 1930.

Article 40. To see if the town will vote to grant and raise a sum of money for the maintenance of the State Aid Highway, according to the provisions of Sections 18, 37 and 38 of Chapter 28 of the Revised Statutes of 1930. Also, to see what sum of money the town will vote to grant and raise for the same.

Article 41. To see if the town will vote to grant and raise a sum of money to reimburse Ivan K. Bemis for the cost of removing snow from the highway between the town line and the Millinocket Stream Bridge, during the months of January, February and March, 1932. Also, to see what sum of

money the town will vote to grant and raise to pay the same.

Article 42. To see if the town will vote to instruct the Municipal Officers of the town of Millinocket to petition the State Highway Commission on or before November 1, 1932, to lay out a winter route over the State Highway which begins at the Millinocket Stream Bridge and extends toward Mattawamkeag, under the provisions of Sections 52 and 53 of Chapter 28 of the Revised Statutes of 1930. Also, to see what sum of money the town will vote to grant and raise to pay for the same.

Article 43. To see if the town will vote to install eleven fire alarm signal lights to indicate the location of the present fire alarm boxes. Also, to see what sum of money the town will vote to grant and raise to pay for the same.

Article 44. To see what action the town will take relative to the construction of Colby Street from Katahdin Avenue to School Street.

Article 45. To see if the town will authorize the Town Treasurer with the approval of the Selectmen, to hire as temporary loans such sums of money as may be necessary to defray town charges and to pay town notes and bonds becoming due and for these purposes to issue and negotiate notes of the town to be paid during the year in which said loans are made, out of the money raised during such current year by taxes, said loans not to exceed an amount in the aggregate the total tax levy for the preceding municipal year, less the total amount of temporary loans previously authorized to be made in anticipation of this current year's taxes, which said loans are hereby ratified.

Article 46. To see if the town will vote to elect, or instruct the Moderator to appoint, a committee to investigate the features of the Town Manager form of Government, so-called, fix the number of members and their term of office, define their duties, and instruct said committee to report its findings at a Special Town Meeting to be held not later than December 15, A. D. 1932, said committee to serve without compensation or pay. Also, to see what sum of money the town will vote to grant and raise to defray the actual expenses of said committee.

Article 47. To see if the town will vote to authorize the

Municipal Officers to remove or direct the removal of trees, culverts, planks and other objects from within the street limits, when in the opinion of said Municipal Officers, the said trees, culverts, planks or other objects have become obstructions to the natural flow of drainage water or to our sewer system, or to the overhead telephone or electric light wires.

Article 48. To see if the town will vote to elect a Budget Committee, fix the number of members and their term of office.

Article 49. To see if the town will vote to accept the report of the Municipal Officers for the fiscal year ending February 1, 1932.

Article 50. To see if the town will vote to give the Town Treasurer authority to sell all tax deeds remaining in his hands which have not been redeemed within the period prescribed by law, and authorize him for and in behalf of the Inhabitants of the Town of Millinocket to assign these deeds to the purchasers.

Article 51. To see if the town will vote to enter into an agreement with the Millinocket Water Company for a supply of water for fire protection and other municipal purposes. Also, to see if the town will vote to enter into said agreement in accordance with the terms and specifications of a form of agreement which will be submitted to the meeting, or what terms and specifications said agreement shall contain. Also, to see what duration of time shall be covered by said agreement. Also, to see if the town will authorize and direct its Selectmen to sign and execute such agreement for and in behalf of said town with said Millinocket Water Company.

Article 52. To transact any other business that may legally come before said meeting.

The Selectmen give notice that they will be in session for the purpose of correcting the list of voters in said town, and hearing and deciding on applications of those claiming the right to have their names upon said lists at the Selectmen's Office in Millinocket, in the "Stearns and Gonya Block", so-called, on Thursday, Friday and Saturday, the Seventeenth, Eighteenth, and Nineteenth days of March, A. D. 1932, from

Nine (9) o'clock in the forenoon to Five (5) o'clock in the afternoon.

Given under our hands this Eighth day of March, A. D. 1932.

FRANK O. DAISEY,
JOHN F. WARD,

Signed:

Selectmen of Millinocket.

CORRECTIONS

Page 13 Under Heading, Care of Poor, Disbursements

David T. Bears \$1.00, should be listed as due from the Town of Livermore Falls, Me.

This would make the cost of Paupers chargeable to the Town of Millinocket, \$17,530.92

In the Report of the Budget Committee.

The overdraft on Care of Poor Account should read \$5,202.76

Page 94 Report headed—Report of School Nurse Committee should be “Report of Child Welfare Committee”

Preserve This Report

A sufficient number of these reports have been printed to furnish every interested citizen with a copy. An effort has been made to get them into the hands of the voters in advance. It should be borne in mind that if copies are left at home there may not be sufficient number at the hall to go around on Town Meeting Day. This year or any year it is desirable for you to have a copy of the annual report as soon as issued. It is also important for you to preserve it and bring it with you Town Meeting Day morning.
